ESTABLISHED IN 1859

Local Poll Is at School

Although devoid of fanfare, the campaign for school trusteeship in the Redwood City area appears to be holding considerable interest, apparently because of the competition which has developed for the non-salaried positions. The election is today.

Seeking the two Sequoia High School trusteeships are the incumbents, Walter W. Hilton and Stuart W. Capps, and two aspirants, F. Edmund O'Connell, attorney, and George L. Kniveton, financial secretary of the Redwood City Carpenters Union for the past 10 years.

Competing with incumbent John W. Poole for the grammar school trusteeship is Kenneth C. Sanders, painting contractor.

Indorsements have been given to the incumbents by the Highlands District Improvement Club, San Mateo County Central Labor Council has indorsed Kniveton for the high school board and Sanders for the elementary school trusteeship.

Sanders, a resident of Friendly Acres, is a former delegate to the Central Labor Council from the Painters Union. He took over the painting business of his late uncle, Lewis B. Winger. He is married and has two children.

Kniveton, 55, a resident since 1923 of Redwood City and a home owner here, has sons who graduated from Sequoia High School. He is interested in educational work, especially vocational training, and states that he believes that many school problems can be solved intelligently if democracy in education is insisted on.

O'Connell, the third aspirant in this district, is a Sequoia High School graduate who has been

Bicycle Parade Set To Promote Safety In Redwood City

With prizes offered for the best and most originally decorated bicycles, an elaborate bicycle parade will be staged in Redwood City Saturday, June 15, it was announced today.

Besides a handsome mounted trophy offered as first prize, there will be a number of merchandise prizes to be chosen from a list compiled by Bruce Knox, manager of the local Montgomery Ward Store, which, with the Tribune, is sponsoring the event.

Both boys and girls may enter. Colorful discs will be given to each boy and girl upon registration, which begins tomorrow. All boys and girls wishing to enter the parade should register with C. L. Emerson, manager of the sporting goods department at Montgomery Ward & Co. There is no charge, and each person registering will be given a set of safety rules.

The parade will leave the corner of Heller and Main Sts. at 11 a. m. and proceed on Main St. to Broadway; on Broadway to El Camino Real; on that highway north to Brewster Ave.; east on Brewster to Bradford St., back to Broadway, and thence to Central School. Judges will be several prominent local citizens yet to be selected.

practicing law here since 1936. He has a record of civic activity, and was first president of the Redwood City Junior Chamber of Commerce.

The three incumbent trustees all are seeking re-election on the basis of their records in office. The only polling place for the Redwood City Elementary School District (which includes Emerald Lake, North Fair

Goona Goons in 'Singapore' Film

"Road to Singapore," Paramount's new comedy with song, brings to the land of goona goona two of its most spectacular goons in the persons of Jerry Colonna, famous "Greetings, Gate" of the radio, and his film pal, Johnny Arthur. Equally "touched" by the tropic sun are the three romping stars of the picture, Bing Crosby, Dorothy Lamour and Bob Hope. The film is now showing at the Redwood Theater on a double bill program with Roy Rogers in "The Arizona Kid" an all-new Western Film.

Laugh Play Scheduled For Showing Soon

Those who have seen "Good-bye to Love" in which the veteran showman, A. H. Woods, is starring Joan Blondell in her return to the legitimate stage say Woods is up to his old tricks—making audiences laugh with his exuberantly funny and daringly risqué farce comedies.

Remember Woods' productions of "Parlor, Bedroom and Bath," "Getting Gertie Garter," "Potash and Perlmutter," "Mary's Ankle," "The Girl in the Limousine," "Girl in the Taxi," and other laugh plays?

Woods has produced so many of these rollicking farces that he says he's lost count. He believes "Goodbye To Love," which comes to the Geary Theater June 10, will make the house ring with laughter.

Woods calls "Goodbye To Love" a rollicking, frolicking, naughty but laughing farce comedy. Sheldon Davis is its author. Joan Blondell is surrounded with a distinguished cast including Patric Knowles, Colin Campbell, Charles Gary, Hattie Noel, Douglas Wood, Connie Emerald, Bernadine Hayes.

Oaks, Friendly Acres) will be at Central School, Broadway at Middlefield Rd. The precinct will be open from 6 a. m. till 7 p. m.

Polling places in other school districts will be at the school houses. Voters in each district within the Sequoia district will elect their own trustees and vote also on high school trustees.

Sample ballots are not mailed for the election.

Auto Exhibit at Fair Proves Interesting

Chevrolet dealers were high in their enthusiasm this week in their comments on the new and modernized Chevrolet exhibit at the General Motors exhibit at the Golden Gate International Exposition.

"In every way possible, designers and officials of Chevrolet Motor Division have made our 1940 exhibit on Treasure Island the most attractive of its kind ever seen anywhere," said A. H. Davies, Chevrolet dealer of Redwood City. "Our Chevrolet display is the largest in the General Motors exhibit and embodies a host of advances in the industry that are receiving the immediate acclaim of visitors. Presenting sparkling new colors and features, six model Chevrolets of all series are placed to advantage around the elaborate display floor and surround the two main Chevrolet attractions: the chromium chassis, which affords the public a perfect view of the strong construction and mechanism of our 1940 car, and the "Magic Mirror" stage, which automatically frames a smart new 1940 Cabriolet against an all-season's background.

"In addition to these two outstanding displays, Chevrolet's exclusive driving feature, Vacuum-power Gearshift, is set up so that anyone may test its ease of operation, and Chevrolet's famous 85-horsepower valve-in-head engine, are also presented to give motorists a detailed picture of just what happens when these mechanical features are in action."

Summer Hours Planned For Children's Room

Beginning June 17, the John Gill room for children in the Redwood City Public Library will be open from 1 to 5 p. m. daily Monday through Friday and from 10 to 5 on Saturday, it was announced by Miss Doris Garcelon, acting librarian, today.

MENLO PARK NEWS NOTES

MENLO PARK—More than 500 former students of St. Joseph's School, their friends and parents and members of the Men's Club were present Sunday when the Mother Foley Gymnasium was dedicated.

Fire Chief Thomas Cuff was master of ceremonies. Edward Derry presented the gym to Mother Foley in behalf of the Men's Club. She responded with thanks. Mass was celebrated at 10:30 by Father McKeown and then the other ceremonies followed.

Speakers were Derry, Mother Foley, J. T. O'Keefe, Jr., Mrs. Victor Michel and Laurence Strenhardt, who presented a bronze plaque to the school.

000. Mrs. Gassner is moving to San Francisco.

NEWS NOTES

Coach Babe Sullivan presented block awards to the graduates. Phil Blanchard also presented medals to Helen Steen and Leo Cocco. Catechism medals were awarded to Catherine Schembri and Rose Marie Brown. Scholarship awards were given to George Murphy and Frances McFarland. After the ceremonies the Boys' Traffic Patrol, under the direction of Officer Leroy Hubbard and Cap. Joe Whelan, gave an exhibition drill. Mr. Hubbard was presented with a pen and pencil set.

The following are the graduates: Leo Cocco, George Brown, Dick Carlton, Laurence DeRosa, Oliver Dibble, Ned Eyre, Donald Lintner, Connie Maloney, George Murphy, Tom Payne, Connor Schroth, Joe Whelan, Elizabeth Bugna, Mary Jane Force, Sylvia Judicia, Frances McFarland, Cecelia O'Donnell, Norma Jean Rapley, Helen Steen, Catherine Schembri and Donna Jean Weyler.

A picnic and a ball game between the boys and the Men's Club followed. The boys won, 20 to 6.

As a reward for graduation, George Brown and his sister left on the Challenger Tuesday night for New York, Chicago, New Orleans and other southern states, and home via Boulder Dam and Los Angeles. They expect to be gone two weeks.

Menlo Park is experiencing a vast building boom. Over 50 houses are now in course of construction, each costing over \$6000. Felton Gables and Stanford Park seem to be the principal locations for these homes.

"Fly Away Home," a comedy in three acts, will be presented this evening by the Menlo Players Guild in the Central School.

J. M. Toner, a deputy in the public defender's office in San Francisco, has purchased a home

at Atherton costing \$18,000. It consists of a two-story dwelling and three acres of highly improved land. Mr. Toner is a son of the late Dr. J. M. Toner, who was well-known in this locality.

Mr. and Mrs. Pearce and family are spending a vacation of two weeks at Yosemite. They will be joined by relatives from the Peninsula during their stay there.

Tuesday all the personal property belonging to the late John Marley at his place of business on Santa Cruz Ave. was sold at auction for \$550 to a local bidder. The sale will have to be confirmed by the superior court. The resort will be reopened shortly by the new owner.

Joseph Veerker, popular station agent, has been kept busy this week selling tickets for all points to pupils from Menlo Junior College and Sacred Heart Academy. These institutions have closed for the summer vacation. St. Patrick's Seminary closes next week when there will be another rush for far away homes.

The members of the city council must have been slumbering when they permitted another oil station in town. The east side of the main street is littered with these ill-smelling, unsightly gas emporiums, when it should be occupied by attractive store buildings. Business is now being driven up Santa Cruz Ave., where property value is booming. It's an ill wind that blows nobody good.

DR. CAMPBELL, Dentist

SAYS: "So intimate to one's everyday life and so important to one's appearance are DENTAL PLATES"

that everywhere dentists are using and recommending the new TRANSPARENT DENTAL PLATE MATERIALS.

For sheer beauty, naturalness and daintiness they are unique. Mere words do not suffice to describe the artistry shown in the clever blending of color tones that make them so life-like, so gratifying to the eye and so well adapted to their purpose that one can well understand why they are being so enthusiastically endorsed by many members of our dental profession, and why we are proud of such a great factor that does so much to enable us to make dental plates that are nearer in appearance to nature's own tissues than many materials formerly used.

Transparent Dental Plate Material!
Means so much to you! Dentists everywhere are using it in making plates and praising it for these qualities:

1. **LIGHTWEIGHT**... yet practically unbreakable--so strong the palate can be made thin--clear, transparent and dainty.
2. **SIMILARITY** in color to nature's own gums being so great, results can be obtained that defy detection.
3. **SNUG FIT** possible, due to adaptability of transparent material to each individual mouth.
4. **SMOOTH** glossy finish made possible so that plates can easily be kept clean.
